SUBJECT: LEARN 360 HOLLYWOOD CLIPS FOR CHARACTER EDUCATION

The School District of Palm Beach County has acquired a county-wide license for Learn 360 (www.Learn360.com) Hollywood Clips, an interactive media-on-demand service for the K-12 education market. This multi-media educational resource includes more than 100 award winning Hollywood film clips and accompanying teacher guides to assist in character education curricula implementation in all grade levels.

Every school counselor will be receiving their unique log-on for the Learn360 site in the upcoming weeks by email. We encourage you and your counselor to use Hollywood Clips and the accompanying teacher guides containing discussion questions, written assignments, and follow-up activities that support character education lessons.
