SUBJECT: SUPPLEMENTARY MATERIALS FOR THE K-2 HUMAN GROWTH AND DEVELOPMENT CURRICULUM

The K-12 Curriculum Department is pleased to provide each elementary school copies of five Big Books for grades K-2 to be used as supplemental materials for the K-2 Human Growth and Development Curriculum. The K-12 Curriculum Department requests that teachers use these materials when teaching the Human Growth and Development activities during the second semester.

The books were chosen to meet K-2 NGSSS Science Big Ideas. The five Big Books are: *See, Hear, Touch, Taste, Smell* and *Wash your Hands* for Kindergarten, *The Human Body* and *A Butterfly is Born* for grade 1, and *Being Human* for grade 2. They will be delivered to each elementary instructional materials contact in January 2012. Lesson plans will be available on Learning Village to support the use of these resources in the classroom.
